ORGANISATIONAL DEVELOPMENT

SUSTAINABLE HOUSING

FUNDING OPPORTUNITIES

ORGANISATIONAL PRESENCE

Focusing on organisational structure
Identify current and future skillset requirements.

Develop innovative recruiting and staffing models to match those requirements.

Focus on our people
Incentivise training pathways.
Recognise and reward exceptional performance.

Focusing on sustainable housing
Develop and maintain a social housing model to facilitate decision making.

Meet the needs of the community within current financial constraints and opportunities.

Focus of being heard by Government
Develop strategies to compel responsive Government decisions

Focusing on diversification of income streams
Investigate and implement supplementary commercial and/or Government funded operations.

Investigate and implement sponsorships and/or partnerships

Continue to identify and apply for grant funding.

Focusing on our reputation and presence
Promote Promote Promote
